

IED Lesson 0.2 - place this template at the front of your 1.5 inch binder. Do not number this Table of Contents. Page numbering begins with the first document after this page.

Student Name:		Period:		School Year:	2026-2027
---------------	--	---------	--	--------------	-----------

How to use this: Add each handout, worksheet, drawing, planning sheet, or project document in chronological order. Number each document and add it to the table below when it goes into your notebook.
