

Lesson 0.2 | Place this template at the front of your 1.5 inch binder. Keep documents in chronological order and update this table whenever a new document is added.

Date:

The Table of Contents is not numbered. Page numbering begins with the first actual lesson document after the Table of Contents. Record each document by date, lesson/activity title, and page number.

[illegible]

Engineering Notebook Table of Contents - Continued

Continue numbering documents in chronological order. Add additional pages as needed.
